Subject: Lower Ley Creek Sampling
Attachments: Sediment-Soil_Sample_Summary_20170623.pdf

Pam,
As requested, attached is a draft table summarizing the current status of sol/sediment sampling activities associated with Lower Ley Creek. Note that we have re-outfitted our sediment sampling operations and will be revisiting any locations that are currently listed as having met refusal in earlier collection attempts.

Please let us know if you have any questions.
Todd
